The first apartment in Tel Aviv which really deserve 10/10. All clean, and well kept. Nice kitchen, two bedrooms, quite location near to all shops and bars.

Excellent location!

Live in style like a local - but with great service

Reines 5 is a spotless and well-designed apartment in a great location in Tel Aviv. Loved the keyless entry and comfortable studio. Others stayed in larger units and also had a great experience. Yaron identified an airport transfer issue before I caught it, and corrected it in time. They even brought me more Roma Nespresso pods when I requested them. Highly recommend this for a stay in Tel Aviv! Toda raba
